## Section II. Conditions of Contract

- 1. Definitions**
- 1.1 In this contract, the following terms shall be interpreted as indicated:
- a. "The Contract" means the agreement entered into between the Purchaser and the Supplier, as recorded in the Contract Form Signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein;
  - b. "The Contract Price" means the price payable to the Supplier under the contract for the full and proper performance of its contractual obligation;
  - c. "The Goods" means Equipment and related Accessories and spare-parts which the Supplier is required to supply to the Purchaser under the contract;
  - d. "Services" means services ancillary to the supply of the goods such as transportation and insurance including the installation, commissioning and the operational and maintenance training of the supplied equipment.
  - e. "The Purchaser" means the organization purchasing the goods;
  - f. "The Supplier" means the organization supplying the goods and services under this contract.
- 2. Technical Specification**
- 2.1 The goods supplied under this contract shall conform to the standards mentioned in the Technical Specification.
- 3. Patent Right**
- 3.1 The Supplier shall indemnify the Purchaser against all third party claims of infringement of patent, trademark or industrial design rights arising from use of goods or any part thereof in the Purchaser's country.
- 4. Inspection and Tests**
4. The Purchaser or its Representative shall have the right to inspect and/or test the goods to confirm their conformity to the Technical Specification and the quality of performance after the supply and delivery of good to Purchaser's premises. The inspection shall involve the Purchasers team and Supplier Representative.
- 5. Packing**
- 5.1 The Supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during

transit to their final destination as indicated in the contract.

- 5.2 The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit and open storage.
- 5.3 Packing case, size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.
- 5.4 The packing, marking and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided in accordance with international standard and practice.
